LEXIS NEXIS ONLINE LEGAL RESEARCH AND RESOURCES – CALIFORNIA FOCUS PART 1

1 hour participatory MCLE Credit

No-cost, free event

Program Description

This MCLE program will cover the many ways technology can aid attorneys in locating the best and most on-point statutes, caselaw, secondary sources and other relevant materials.

Goals include: (1) Discover methods for conducting research with different varying results. (2) Gain an understanding of how online platforms have been enhanced to predict what you're looking for. (3) Ascertain the multiple ways to filter searches before and after searching. (4) Discover different search term approaches: natural language and terms and connectors. (5) Survey the multitude of techniques you can use to analyze your search results list. And, (6) Understand the role technology plays in validating primary authority.

About the Speaker

Stephan Shields graduated from the University of Akron School of Law in 2016 with his Juris Doctorate, and received a Bachelor's Degree in Religious Studies and Philosophy from the University of Toledo. He joined LexisNexis in 2018, where he provides training, research assistance, and CLE classes to the west coast and Pacific territories.
