NAVIGATING THE STARTUP ECOSYSTEM: A COMPREHENSIVE GUIDE TO LAUNCHING AND GROWING YOUR BUSINESS

1 hour participatory California MCLE credit

No-cost, free event

Program Description

Join Lloyd Smith, Esq., for an insightful webinar on the fundamentals of business formation. This session will cover the key aspects of starting a business, including choosing the right legal structure, and understanding tax implications. Whether you are an entrepreneur, a startup enthusiast, or a small business owner, this presentation will provide valuable guidance to help you make informed decisions and set your business up for success.

About the Speaker

Lloyd Smith, Esq., is a detail-oriented Corporate Attorney and the founder of Jet Legal Services. Based in Los Angeles, CA, Lloyd is admitted to practice in both California and New York. He specializes in healthcare law, business law, regulatory compliance, and tax planning. With a robust background that includes a Juris Doctor from Golden Gate University School of Law and a Bachelor of Arts in Accounting from Kennesaw State University, Lloyd combines legal and financial expertise to support his clients. Known for his strategic guidance, tenacious problem-solving skills, and strong client relationships, Lloyd is dedicated to enhancing legal and operational efficiencies for businesses and individuals alike.
