IT'S ALL IN THE PROCESS: THOUGHTFUL METHODS TO PREPARE FOR DEPOSITION, TRIAL AND MEDIATION

1 hour participatory California MCLE credit

No-cost, free event

Program Description

The process of preparing for deposition, trial and mediation can be agonizing for both lawyers and pro se litigants. However, a deliberate approach to preparation can make that process less challenging and potentially more rewarding.

Alan Fanger, a litigator with 38 years of experience, will share the methods he has used successfully to prepare his clients for these major litigation events. Alan is also the CEO of EmpowerLegal, Inc., a company that provides an online learning platform to assist litigants in such preparation.

Advance registration required: [register via Humanitix](#) by noon the day of the program to receive a link.
